LIVE BEER LISTINGS

Our Beer Screen helps for you to see what we currently have available.

Departing = On the Bar
Arrivals = In the Cellar.

If you wish to have a beer that is currently in the cellar, it's possible, as long as it states 'Rdy' next to the specific beer!

Did you know this is also on our website?

As is our Beer Bible! Simply browse our site at

wigancentral.bar then click 'Beer & Ciders'

Or scan the QR code on the previous page

We offer table service, especially on busy weekends if you don't want to lose your table!

Ask a member of staff and they'll happily bring you another drink over.

Staying for more than one? Why not set up a tab?

We can't all agree on which beers are best,

because like fingerprints, all our taste buds are different.

All staff have their own 'specialist beer subject' which they are more than happy to discuss with you.
